A STRONG VOICE FOR WITHAM

 **Vote Conservative**

PRITI BACKS STRONG AND STABLE LEADERSHIP

Priti Patel has welcomed the General Election on 8 June and the chance for the British people to elect a strong and stable Conservative Government led by Prime Minister Theresa May. Priti commented: “Last year the majority of voters across the Witham constituency and the UK voted to leave the European Union. They voted to take back control of our borders, our money, and our laws. They voted for Britain to start a new chapter in its history as a free, independent and sovereign country in control of its own destiny. The Conservatives have a clear plan for the future of our great nation. If you agree with me that our country needs strong and stable leadership then I urge you to join me and vote Conservative on 8 June.”

Priti has campaigned with residents to protect green spaces from inappropriate over-development including in Hatfield Peverel, Tiptree, Wickham Bishops, and Stanway. She has also supported local residents opposed to the Rivenhall Incinerator.

SAFEGUARDING GREEN SPACES AND ENVIRONMENT

Priti has secured action from the Environment Agency to reduce flood risk in Coggeshall, Feering and Kelvedon. A new flood risk management scheme for the River Blackwater is now being developed and Priti is campaigning for it to be funded and implemented.

ACTION TO PREVENT FLOODING

Priti has secured investment from the Government to widen the A12 between Chelmsford and Marks Tey. Most of this stretch of road runs through the Witham constituency and the widening scheme will improve safety, reduce congestion and support people travelling for business and leisure. Plans are also being developed to upgrade and dual the A120.
