Vote for Priti PATEL
for Strong and Stable Leadership

I am proud to have always put the people of the Witham constituency first during 7 years as your MP. In that time I have campaigned across a range of issues and will continue to stand up for what is best for residents and communities across the Witham constituency.

NEW HEALTHCARE CENTRE

Priti has secured an agreement from the NHS to develop a new fully integrated multipurpose healthcare centre in the Witham constituency. A site has been identified and Priti will carry on campaigning to get more health services provided locally and GPs in our communities.

HELPING LOCAL CHARITIES AND GOOD CAUSES

Priti actively supports a number of local charities in the Witham constituency including Farleigh Hospice, Brainwave, Colchester Has Active Prostate Support (CHAPS) and Home Start. As well as supporting local good causes Priti is the Club Ambassador for Witham Town FC.

ACTION TO PREVENT FLOODING

Priti has secured action from the Environment Agency to reduce flood risk in Coggeshall, Feering and Kelvedon. A new flood risk management scheme for the River Blackwater is now being developed and Priti is campaigning for it to be funded and implemented.

SAVING DRUMMONDS CARE HOME

Priti has successfully campaigned to save the Drummonds Care Home in Feering from being shut down. The home, which provides residential accommodation for adults with physical and learning disabilities, was set to be shut down by Scope. But Priti worked closely with the relatives of residents and Scope to find a new provider – the Black Swan Care Group – to come in to give Drummonds a future.

SUPPORTING OUR ARMED FORCES

Priti is proud to support our Armed Forces, their families and veterans. She has praised their courage and bravery and has also helped fundraise for the local Royal British Legion branch.

BACKING OUR FARMERS

Priti is a strong supporter of local farmers, agricultural businesses and rural communities. She holds regular meetings with farmers and has worked with them to tackle rural crime and reform farming regulations.

NEW JOBS AND SHOPS IN STANWAY

Priti is supporting the Tollgate Village development. This scheme will bring in hundreds of new jobs and much-needed retail and leisure facilities.
She has supported local residents who favour the scheme by standing up to Lib Dem-Labour controlled Colchester Borough Council who have sought to block it.

NEW TRAINS AND BETTER PUBLIC TRANSPORT SERVICES

Priti has successfully campaigned for investment in new trains on rail services and better commuter facilities. The new trains will be available from 2019 and Priti is working with the Government, local councils and Network Rail to upgrade the tracks to improve reliability and rail services. Priti has also campaigned and secured the continued operation of several bus services throughout the constituency since 2010, ensuring that no-one is cut-off from the main towns and commuter hubs in the constituency.

SAFEGUARDING GREEN SPACES AND THE ENVIRONMENT

Priti has campaigned with residents to protect green spaces from inappropriate over-development including in Hatfield Peverel, Tiptree, Wickham Bishops, and Stanway. She has also supported local residents opposed to the Rivenhall Incinerator.

A12 TO BE WIDENED AND PLANS FOR A120 UPGRADE

Priti has secured investment from the Government to widen the A12 between Chelmsford and Marks Tey. Most of this stretch of road runs through the Witham constituency and the widening scheme will improve safety, reduce congestion and support people travelling for business and leisure. Plans are also being developed to upgrade and dual the A120.

THE CHOICE FACING THE COUNTRY AT THIS ELECTION IS ALL ABOUT LEADERSHIP

The choice in this election is strong and stable leadership in the national interest with Theresa May and the Conservatives – or a weak, unstable, chaotic coalition with Jeremy Corbyn as Prime Minister.

Only the Conservatives will:

- **Establish Britain as the strongest country in Europe** in economic growth and national security. We will negotiate a deep and special partnership with our European neighbours as we leave the EU. We will strike export deals for British goods and services around the world. And we will lead the world in preventing terrorism and fighting modern slavery.
- **Build a stronger economy** that rewards people who work hard and creates secure and well-paid jobs. We will make sure there is growth and prosperity across the whole country.
- **Provide real opportunity for all** We will give everyone a chance to get on in life, by building enough affordable housing and making sure there is a good school place for every child.
- **Build a more secure and united nation** by taking action against the extremists who try to divide our society and standing up to the separatists who want to break up our country.

Securing a Successful Brexit

Last year the British people voted to leave the European Union. Having started the process of leaving the EU, it is now vital that we get the best deal for the United Kingdom.

It doesn't matter whether you voted to leave or to remain, the most important thing is that we have strong and stable leadership with Theresa May, to be able to negotiate the best deal we can for the future prosperity and success of the British people. The alternative is a coalition of chaos, led by Jeremy Corbyn, Nicola Sturgeon, Tim Farron and the Greens.

It may say Labour, Green, Lib Dem or UKIP on the ballot paper but a vote for them means it would be Jeremy Corbyn who moves into Number Ten.

About Priti Patel

I have been your Member of Parliament since 2010. Having grown up in a small family business, I am passionate about economic security and supporting local businesses to thrive, grow and create more local jobs. As a mother I care deeply about making sure that our children can get the best start in life in good and outstanding schools. I believe that this constituency is a fantastic place to live and work. That is why I have always championed calls for improvements to public services and new infrastructure to make this part of Essex even better.

I am currently a member of the Cabinet and have served as a Government Minister for the last three years. When big decisions are made in Government, I make sure your views are represented.

If you re-elect me on Thursday, 8th June, I will continue to be a strong voice for all communities across the Witham constituency.
